

AMENDMENTS TO THE DRAWINGS

The drawings were objected to because of informalities.

The attached sheets of drawings include changes to Figs. 1-4. These sheets replace the original sheets including Figs. 1-4.

Applicant has amended Fig. 1 to include the legend "PRIOR ART."
Applicant has amended Fig. 2 to correct the typographical errors in element 24.
Applicant has amended Figs. 3 and 4 so that they are conducive to clear reproduction. Applicant has amended Fig. 2 to incorporate the optional block for modifying the generated code and made the corresponding amendments to paragraph [0030]. These amendments find support in claims 10, 20, and 30 of the instant application.. Additionally, Applicant has amended Fig. 2 to incorporate allowing the resource type to start, stop, and/or monitor the application. These amendments find support in claims 4, 14, and 24 of the instant application.

Attachments: Replacement Sheets including Figs. 1-4
